

Introduction

- Hostel Room allocation system is a web application which aims at computerization of current procedure of allocating hostel rooms.
- Currently the process involves students filling up the forms and submitting them in respective hostel offices which involves a lot of paperwork, hence less efficient !

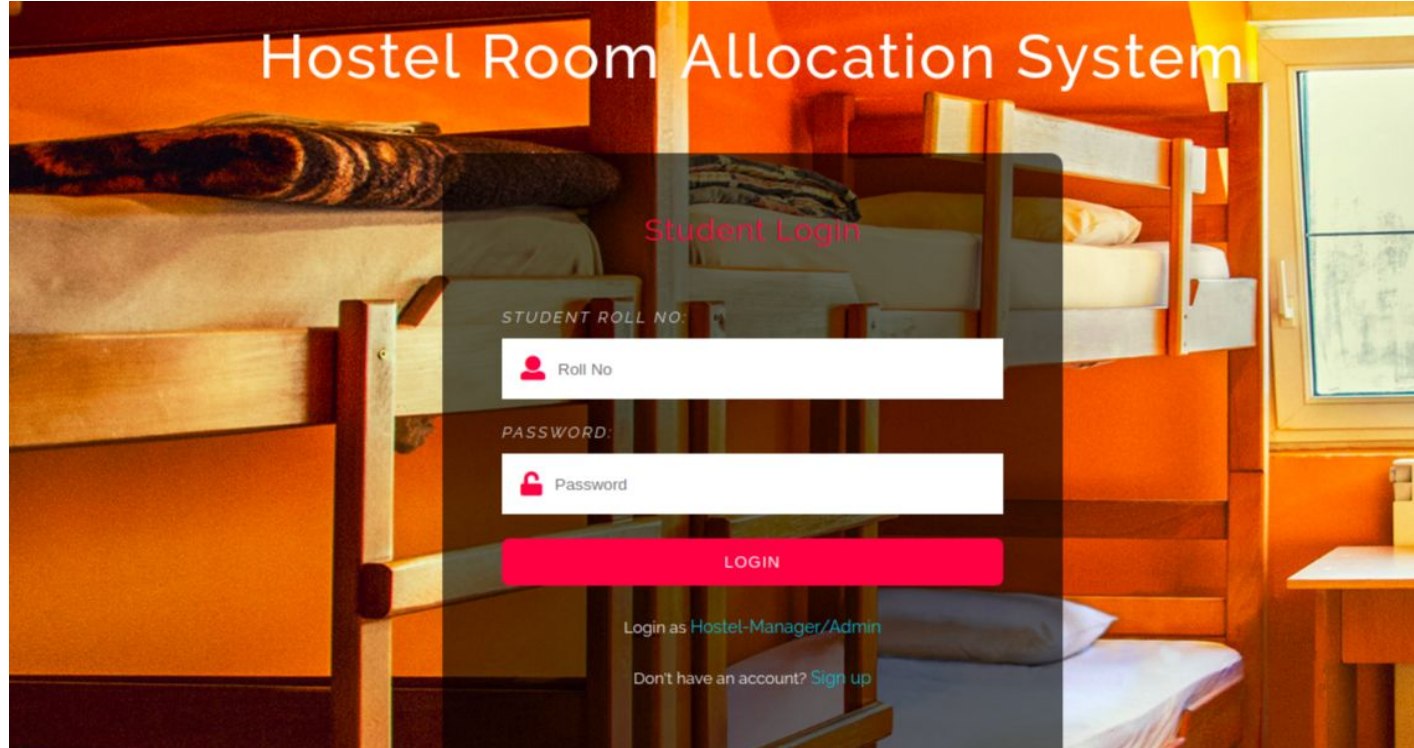

Types of Users

1. Student
2. Hostel Manager
3. Admin

Student

Login Page

The image shows a login interface for a 'Hostel Room Allocation System'. The background is a photograph of a hostel room with wooden bunk beds and a window. The login form is a semi-transparent overlay in the center. It has a title 'Student Login' in red. Below it, there are two input fields: 'STUDENT ROLL NO:' with a red person icon and 'PASSWORD:' with a red lock icon. A red 'LOGIN' button is below the password field. At the bottom, there is a link 'Login as Hostel-Manager/Admin' and another link 'Don't have an account? Sign up'.

Hostel Manager/Admin Login Page

The image shows a login interface for a 'Hostel Room Allocation System'. The background is a photograph of wooden bunk beds in a hostel room. The interface is a semi-transparent dark grey box centered on the screen. At the top of the box, the text 'Hostel Manager/Admin Login' is written in red. Below this, the label 'USERNAME:' is in a light grey font. There is a white input field with a red user icon on the left and the placeholder text 'Username'. Below the username field, the label 'PASSWORD:' is in a light grey font. There is a white input field with a red padlock icon on the left and the placeholder text 'Password'. Below the password field is a red rectangular button with the text 'LOGIN' in white. At the bottom of the login box, the text 'Login as Student' is displayed, with 'Student' in a teal color.

Possible Error Checks

- Once a hostel becomes full the manager won't be able to allocate a room for student. So he/she will send a message to student saying that the rooms are full.
- If a student is already allocated a room, he can't apply to any other hostel.

Allocated Rooms

Fan not working in room no 129

Today morning fan suddenly stopped working. Since its summer and its tough to survive without fan, please fix it as soon as possible. Thank you!
